

THE BEST GAMBLER
Secrets to Winning at Gambling

Jeff Chen

2009

Every cause has its effect and every effect has its cause.

So is with gambling.

At gambling, winning is just an effect, it must have a cause.

What is the cause?

Can you win at will?

Of course not.

Then what causes winning?

Let's take an analysis.

If you don't gamble, you don't win, so the cause must lie in gambling itself.

But gambling doesn't result only in winnings, but also in losses.

Although it lies in gambling itself, it's not in normal gambling. Normal gambling is just like playing for fun, you win or lose.

So the question is: What kind of gambling causes winning?

Simply put, it is the winning gambling that causes win!

There are lots of gambling methods, as for final result, there are only two kinds of them – The winning methods and the losing methods.

Anyone knows and can use the losing methods, they have nothing to do with this book, so we don't talk about them.

Let's come to a conclusion, at gambling, the winning methods which causes win, using them will cause win and make money.

So, you don't have to care about the effect, winnings or money, you just have to care about using the winning methods.

Then, what is the winning methods?

And any method is sourced from you, and yourself alone, any betting is at your will, you are not forced to place bets.

Therefor, the final cause lies in
